i1002

RELAXED GOLF CAP

The i1002 was first released in 2007 & by the following year, it was a top performing style. It was designated a classic from the start – **the ultimate “dad cap.”** A low profile relaxed chino twill cap composed of the highest quality materials, the i1002 was originally launched with six colors but now boasts over thirty. Known for being both stylish & comfortable, this cap has been a fan favorite for over fifteen years.
