YEARS OF KATI HEADWEAR

Launched in 1985, Kati Headwear offers one of the largest varieties of licensed camo in the promotional products industry. To celebrate this milestone, Kati released a lookbook featuring six top-selling styles across its three core categories—Americana, licensed camo, and high-visibility safety caps:

AMERICANA

S700M – This printed mesh trucker delivers bold impact with its mid-profile build and easy snapback closure. With 19 pattern options to choose from, this cap goes with any festive occasion.

AM350S – The AM350S combines 100% cotton comfort with a patriotic American flag on the bill. This timeless, structured, six-panel look offers three classic color options to choose from.

LICENSED CAMO

LC10 – Built for the outdoors, the LC10 combines a brushed cotton/poly blend with a structured, mid-profile fit. Available in a variety of camo patterns, it's made to keep up with every warm-weather adventure.

LCB08 – Face the chill head-on with this 8" camo knit. Crafted from a cotton/polyester blend with an acrylic lining, it delivers long-lasting warmth and durability for any outdoor excursion.

SAFETY

SN100 – Crafted from 100% polyester, the SN100 delivers dependable comfort and durability with its structured, six-panel, mid-profile design. Available in bright yellow or orange, it's finished with a black underbill to help block the sun.

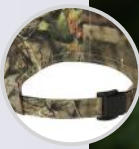

LC5M – The LC5M fuses camo style with a bold, bright mesh back for visibility and contrast. This structured, six-panel cap features a pre-curved bill and mid-profile shape; a timeless trucker look with a modern twist!

Blank versions of top-selling Kati Headwear styles are carried by Counselor Top 40 supplier Sportsman Cap & Bag and sold through distributors nationwide. To find a distributor location, visit sportsmancaps.com.
